

**BIOGRAPHICAL SKETCH of
Pei Fern Koo**

Pei Fern is the Senior Nutrition Scientist for the APAC region at Tate & Lyle, based in Singapore.

Prior to working at Tate & Lyle, she was the Regional Nutrition Coordinator for SEA regions cum Corporate Nutrition Manager at Fonterra Brands Malaysia for 15 years (2000-2015). Before she moved to Singapore in early 2016, she was with Nestle Malaysia as a Regulatory & Scientific Affairs Manager.

As industry nutritionist, Pei Fern is actively involved in the Malaysian nutrition arena by working with various stakeholders and health authorities in development of nutrition policies and food regulations development. As recognition of her outstanding professional and meritorious contributions to the field of nutritional sciences in Malaysia, she was awarded, “The Fellow Member of Nutrition Society of Malaysia (NSM)” in June 2014.

Ms Koo Pei Fern has a Bachelor's Degree in Nutrition and Community Health from University Putra Malaysia.
