

**1st Southeast Asia Public Health Nutrition Conference 2017**  
**14 - 17 May 2017 @ Hotel Istana, Kuala Lumpur**  
**Poster Presentation**  
**Grouping of Abstracts (Updated 5 May 2017)**

**Notes:**

Your poster will be displayed for **3 DAYS**.

Time for mounting: 15 May 2017: 7.00am – 8.30am

Time for dismantling: 17 May 2017: 4.00pm – 5.00pm

Poster presentations area is located at Function Rooms Safir I & II on Ballroom Level, Hotel Istana,

Please take note of your poster board number.

Group A: Nutritional Status (various groups) & Community Interventions					
Group	Poster Board No.	Abstract Reference No.	Name	Organisation/University	Abstract Title
A	PP-A01.	157	AGATHA	DEPARTMENT OF NUTRITIONAL SCIENCE, FACULTY OF PUBLIC HEALTH, UNIVERSITAS INDONESIA	Nutritional status of adults in chosen slum flats in Jakarta, Indonesia 2017
A	PP-A02.	197	NOR AISHAH BINTI EMI	UNIVERSITI PUTRA MALAYSIA	Associations between overweight and obesity with cardiovascular risk factors in adolescents from three states in Malaysia
A	PP-A03.	67	Fahmida Akter	Research And Evaluation Division, BRAC	Pattern of skipping meal and its determinants among adolescent girls: Bangladesh perspective
A	PP-A04.	81	ALIZA HASLINDA HAMIRUDIN	INTERNATIONAL ISLAMIC UNIVERSITY MALAYSIA	Malnutrition identification according to mini nutritional assessment- short form and dietary intake among community living elderly in Kuantan, Pahang
A	PP-A05.	68	Andri Rahmad Sudiarmanto	Airlangga University	Trend of under-nutrition among toddlers in various ethnicity in East Java, Indonesia
A	PP-A06.	127	AZIZAN ALI	INSTITUTE MEDICAL RESEARCH	Comparison of the diagnostic performance of body mass index and waist circumference measurements to identify obesity: in a group of Malaysian adults
A	PP-A07.	123	AZRIMAIDALIZA	UNIVERSITY OF ANDALAS, PUBLIC HEALTH FACULTY	The estimation of maternal weight gain with birth weight
A	PP-A08.	189.1	BESTI VERAWATI	UNIVERSITY OF PAHLAWAN TUANKU TAMBUSAI/MAMBER FOOD AND NUTRITION SOCIETY OF INDONESIA	The effect of fruit consumption and physical activity on obese child in elementary school Riau Indonesia to nutritional status (bmi/age)
A	PP-A09.	33 (1)	Dodik Briawan	Bogor Agricultural University	The association of Indonesian healthy eating index with indicator of metabolic syndromes at adult women
A	PP-A10.	137	WANTANEE KRIENGSIYOS	INSTITUTE OF NUTRITION, MAHIDOL UNIVERSITY	Management system of Thai healthier logo for combating NCDs

A	PP-A11.	71	CHONG GUEY YONG	UNIVERSITY KEBANGSAAN MALAYSIA	Validation of exclusive breastfeeding practice by maternal recall with deuterium oxide dose to mother technique among mothers in Klang Valley
A	PP-A12.	167	Chong Su Pei	Universiti Putra Malaysia	Food insecurity and nutritional status among orang asli (mah meri) women in Kuala langat, Selangor, Malaysia
A	PP-A13.	72	JUSTINE JOY ONG BALONDO / Anne Bautro/ Jenny Lynne Cua / Sharina So	UNIVERSITY OF SANTO TOMAS	Factors affecting the nutritional status of congenitally blind filipino in an institutional setting in an institutional setting
A	PP-A14.	75	Katherine Anne B. Andujare	College Of Education, University Of Santo Tomas	Correlates of malnutrition among depressed Filipino elderly in an institutionalized homecare setting: a partial least square study
A	PP-A15.	57	De Guzman AB / April Clarinelle Aztryd Balbesino	University Of Santo Tomas, College Of Education, Department Of Nutrition And Dietetics	Prevalence and associated factors of obesity among adolescents with autism spectrum disorder
A	PP-A16	<b>76</b>	De Guzman AB / Cadiente JHQ	University Of Santo Tomas, Department Of Nutrition And Dietetics, College Of Education	The role of alcohol consumption, food intake, and physical activity on the prevalence of obesity among Filipino call center agents
A	PP-A17.	77	FUERTES BEATRICE JOY C/ Jesan Kate C. Nava	UNIVERSITY OF SANTO TOMAS	Examining the relationship of daily money allowance, sugar-sweetened beverages consumption, and level of nutrition knowledge on the nutritional status among a select group of filipino adolescents
A	PP-A18.	115	JOSHUA KENNETH M. SANTOS / SALINA BIENE TEO	UNIVERSITY OF SANTO TOMAS	Factors affecting the nutritional status of filipino elderly in home care settings
A	PP-A19.	70	KRISTEL JOY G. MAGALONG	UNIVERSITY OF SANTO TOMAS	The impact of nutrition education on university students' knowledge and intake of street foods
A	PP-A20.	153	Alcantra A	UNIVERSITY OF SANTO TOMAS, COLLEGE OF EDUCATION	Partial least square regression modeling of the factors affecting the risk for obesity of graveyard shift call center agents
A	PP-A21.	236	FAZLINI BINTI MOHD FADZWI	UNIVERSITI PUTRA MALAYSIA/ FACULTY OF MEDICINE & HEALTH SCIENCES	Food security status and its association with sociodemographic, psychosocial status and depression among malaysian elderly in mukim ulu kinta, perak, malaysia
A	PP-A22.	229	Judhiastuty Februhartanty	Seameo Recfon	Experiential-based module development and lesson plans on nutrition for primary and secondary school teachers in indonesia
A	PP-A23.	190	HERYUDARINI HARAHAP	RESEARCH AND DEVELOPMENT BOARD OF RIAU PROVINCE	The relationship between bone width and bone quality with bone mineral density
A	PP-A24.	262	Hardinsyah	Departement Of Community Nutrition, Faculty Of Human Ecology, Bogor Agricultural University	Hydration status and water intake of women during and after ramadan fasting

A	PP-A25.	222	HASMIZA BINTI HALIB	UNIVERSITI SULTAN ZAINAL ABIDIN	Parent's physical activity associated with preschoolers physical activity in Taska Permata Keluarga, Kuala Nerus
A	PP-A26.	122.1	Rahayu Indriasari	Hasanuddin University, Faculty Of Public Health	Effect of nutrition education using booklet and mobile phone communications on changes of motivation, self-efficacy, and breakfast practice in Indonesian adolescents
A	PP-A27.		ISLAM N		Can food demonstration and intensive counseling to pregnant women improve food diversity? :
A	PP-A28.	220	Norsham Juliana Nordin	Universiti Sains Islam Malaysia	A regression model for predicting adiposity in malaysian adult women
A	PP-A29.	138	BUTSARA MUKDASAKUNPHIBAN	INSTITUTE OF NUTRITION, MAHIDOL UNIVERSITY	Healthier logo in Thailand: criteria and implementation
A	PP-A30.	32	AGATHA / WAHYU	Department Of Public Health Nutrition, Faculty Of Public Health, Universitas Indonesia	Pattern of growth of exclusively breastfed infants 0-6 months of age, at maternal clinic anny, pasar rebo, east jakarta
A	PP-A31.	256	LAILA RUWAIDA MOHD ZAINUDDIN	UNISZA	Physical activity and dietary intake among universiti sultan zainal abidin (unisza) students
A	PP-A32.	205.1	LUCY WIDASARI	HASANUDDIN UNIVERSITY MAKASSAR INDONESIA	Mid upper arm circumference value, hemoglobin and body mass index among preconception woman in Banggai Regency Central Sulawesi Province Indonesia
A	PP-A33.	113.2	MARIA HOLLY HERAWATI	NATIONAL INSTITUDE FOR HEALTH RESERCH AND DEVELOPMENT	Occurrence of infection and nutrition on public perception in East Lombok
A	PP-A34.	113 (1)	Maria Holly Herawati	National Institute for Health Reserch and Development	Factors affecting the occurrence of less nutrition in children in coastal communities in East Lombok
A	PP-A35.	102	Mitra	Study Program of Public Health Science, Stikes Hang Tuah Pekanbaru	Positive deviation of growth in low birth weight infants until five months old
A	PP-A36.	11	WILFRED MOK KOK HOE	UNIVERSITI KEBANGSAAN MALAYSIA	Cross-site anthropometric assessment of school-based obesity interventions: A 12-month follow-up study
A	PP-A37.	58.2	MUHARNI	HEALTH POLYTECHNIC OF RIAU	Development of nutrition education module for preschool students.
A	PP-A38.	40	NENNI DWI APRIANTI LUBIS	UNIVERSITY OF NORTH SUMATRA, DEPARTMENT OF NUTRITION , FACULTY OF MEDICINE	Dyslipidemia and hypertension as risk factors for coronary heart disease.
A	PP-A39.	199	NG RUI JIE	INSTITUTE FOR HEALTH MANAGEMENT, MINISTRY OF HEALTH	Community volunteer programme: will it help to improve the knowledge on balanced diet among the rural orang asli communities?
A	PP-A40.	114.1	Noor Edi Widya Sukoco	Center for Humanities, and Health Management Research and Development, National Institute of Health Research and Development – Ministry of	Community understanding of 13 general messages of balanced nutrition in East Lombok District
A	PP-A41.	114.2	NOOR EDI WIDYA SUKOCO	CENTER FOR HUMANITIES, AND HEALTH MANAGEMENT RESEARCH AND DEVELOPMENT, NATIONAL INSTITUTE OF HEALTH RESEARCH AND	Understanding and cultural society of east lombok nutritional status of children under five

A	PP-A42.	232	NOOR HAFIZAH BINTI YATIMAN	UNIVERSITI KEBANGSAAN MALAYSIA	Influence of parental support for healthy diet and physical activity behaviour on health-related quality of life among normal weight and overweight malay adolescents
A	PP-A43.	253	NORHASMAH SULAIMAN	UNIVERSITI PUTRA MALAYSIA	Food insecurity, nutrient intakes and health-related quality of life among welfare recipients in bangi and kajang, selangor, malaysia.
A	PP-A44.	98	NUR AFRINIS	UNIVERSITAS OF PAHLAWAN TAUNKU TAM	The effect of home gardening and nutrition education on food consumption and nutrition status children under five years in Riau
A	PP-A45.	200	NUR ATHIRA BINTI AHMAD YUSIN	UNIVERSITI PUTRA MALAYSIA	Socio-demographic determinants of serum 25-hydroxyvitamin D 25(OH)D insufficiency among 13 years old adolescents in the southern region of Peninsular Malaysia
A	PP-A46.	22	Nur Suffia Sulaiman	Institute for Medical Research	Evaluation of the 'healthy worker' multi-component workplace wellness programme targeting overweight and obese workers
A	PP-A47.	261	HERA NURLITA	MINISTRY OF HEALTH RI	Bringing fruit and vegetable (fv) market to the office: simply recreational or innovative?
A	PP-A48.	44	NURUL HUSNA MOHD SHUKRI	UNIVERSITI PUTRA MALAYSIA (UPM)	Infant appetite and temperament as predictors of infant growth.
A	PP-A49.	263	LOWELA M PADILLA	DIVISION OF HUMAN NUTRITION AND HEALTH, WAGENINGEN UNIVERSITY & RESEARCH	Social and economic predictors of stunting among filipino adolescents
A	PP-A50.	239	KIMBERLY PALOMO	DEPARTMENT OF FOOD SCIENCE AND NUTRITION, COLLEGE OF HOME ECONOMICS, UNIVERSITY OF THE PHILIPPINES- DILIMAN	Design of a worksite nutrition education intervention to prevent obesity for university staff based on trans theoretical model and social cognitive theory
A	PP-A51.	7	Prita Dhyani Swamilaksita	Esa Unggul University, Nutrition Science	The effect of food consumption and health examination againts maternal nutritional status and infant birth weight and length in Bogor Municipality
A	PP-A52.	176	NURUL DINA RAHMAWATI	CENTER FOR HEALTH ECONOMIC AND POLICY STUDIES, FACULTY OF PUBLIC HEALTH, UNIVERSITAS INDONESIA	Risk factors of dyslipidemia in men workers of heavy equipment company in East Jakarta, Indonesia
A	PP-A53.	142.2	RATU AYU DEWI SARTIKA	UNIVERSITAS INDONESIA	Risk factors of hypertension in selected urban and rural areas in Indonesia
A	PP-A54.	93	Angielica Reambillo-Navasero	University of The Philippines Los Banos	Nutrition assessment of people living with human immunodeficiency virus (plhiv) in a treatment hub in the Philippines
A	PP-A55.	235	MARIA FATIMA DOLLY R. REARIO	HELEN KELLER INTERNATIONAL	Process evaluation to sustain the improved performance of local government units in the delivery of package of nutrition interventions in regions v and vi, philippines
A	PP-A56.	250.1	RYAN JOHN PASCUAL	UNIVERSITY OF THE PHILIPPINES DILIMAN	Empowering and mobilizing the youth for preconception health and nutrition promotion in the philippines

A	PP-A57.	250.2	RYAN JOHN PASCUAL	UNIVERSITY OF THE PHILIPPINES DILIMAN	#Folicacidph: utilizing social media in the promotion of folic acid awareness in the philippines
A	PP-A58.	24	SARINA SARIMAN	MANAGEMENT AND SCIENCE UNIVERSITY	The association between internet social media exposure with body image dissatisfaction and eating disorder among adolescents in shah alam, selangor
A	PP-A59.	268	SARINA SARIMAN	MANAGEMENT AND SCIENCE UNIVERSITY	Association of socio-demographic, eating behavior and self-esteem characteristics with body weight status among secondary school students in cheras, selangor
A	PP-A60.	26	Satvinder Kaur	UCSI University	Acculturation and non-communicable diseases (ncd) risk factors among nepal migrant workers in klang, malaysia
A	PP-A61.	150	JIRAH ASA M. SIDECO	UNIVERSITY OF SANTO TOMAS	Examining the relationship of nutrition literacy and daily food allowance to the nutritional status of a select group of farmers in the Philippines
A	PP-A62.	283	MUKHLIDAH HANUN SIREGAR	UIN SYARIF HIDAYATULLAH JAKARTA	Major determinant of abnormal total cholesterol level in Indonesia
A	PP-A63.	295	SITI FATIHAH BINTI MURTAZA	UNIVERSITI PUTRA MALAYSIA	Associations between socioeconomic status, maternal height risk, hemoglobin level, and sanitation and hygiene practices with stunting among aboriginal children in Negeri Sembilan, Malaysia
A	PP-A64.	51.1	Siti Munawwarah Bte Awang Tarif	Health Promotion Centre, Ministry Of Health, Brunei Darussalam	Development of healthier choice initiative: Brunei Darussalam perspective
A	PP-A65.	129.1	SURIATI BINTI SIDEK	INTERNATIONAL ISLAMIC UNIVERSITY MALAYSIA	Weight loss behavior and its perceived barriers: findings from in-depth interviews with overweight adolescents
A	PP-A66.	53	SUWAIBAH BINTI ABD HADI	KEMENTERIAN KESIHATAN MALAYSIA	Prevalence of malnutrition among children referred to health clinic in Cameron Highlands during 2012 to 2016
A	PP-A67.	180	SYARTIWIDYA	BOGOR AGRICULTURAL UNIVERSITY	Relationship of nutrition knowledge with food habits and physical activity of adolescents in Bogor city.
A	PP-A68.	219	Joyce Tee Ying Hui	Universiti Putra Malaysia (Upm)	Associations between BMI, meal intake and physical activity with executive function among adolescents aged 13 to 16 years in Petaling Perdana, Selangor
A	PP-A69.	242	TEO CHOON HUEY	UNIVERSITY PUTRA MALAYSIA	Associations between socio-demographic characteristics, body weight status and eating behaviours with cognitive performance among primary school children in batu pahat district
A	PP-A70.	45	Theingi Thwin	Department Of Medical Research, Ministry Of Health And Sports	Iodine deficiency in pregnant women living in a coastal area of Mon State, Myanmar
A	PP-A71.	132	ZAKIA UMAMI	DEPARTMENT OF COMMUNITY NUTRITION, FACULTY OF HUMAN ECOLOGY, BOGOR AGRICULTURAL UNIVERSITY	Efficacy of nutrition education by religious marital advisors on nutrition attitude and knowledge of young marriage couples in Bogor Indonesia

A	PP-A72.	29	VANESSA LEY T. REYES	CENTRO ESCOLAR UNIVERSITY. MANILA	Physical activity, health and nutritional status of selected business process outsourcing employees: a comparison
A	PP-A73.	354	Sharifah Wajihah Wafa	SCHOOL OF NUTRITION AND DIETETICS, FACULTY OF HEALTH SCIENCES, UNIVERSITY SULTAN ZAINAL ABIDIN	The effect of school environment on the body mass index (BMI) of school children: Schools and Obesity Prevention
A	PP-A74.	234	WAN NURUL NAJWA BINTI WAN NIK	UNIVERSITI KEBANGSAAN MALAYSIA, FACULTY OF HEALTH SCIENCE	Development of recipe book as nutrition education media for weight reduction intervention program
A	PP-A75.	214	WEE BEE SUAN	UNIVERSITI SULTAN ZAINAL ABIDIN	Development of new predictive equations for estimation of resting metabolic rate among Malay children
A	PP-A76.	210.2	LUH ADE ARI WIRADNYANI	SOUTHEAST ASIA MINISTER OF EDUCATION ORGANIZATION-REGIONAL CENTER FOR FOOD AND NUTRITION (SEAMEO RECFON)-PUSAT KAJIAN GIZI	Attitude and readiness of elementary school teachers towards school-based nutrition education
A	PP-A77.	148	WIRDAH BTE MOHAMED	UNIVERSITI KEBANGSAAN MALAYSIA	Effectiveness of f.e.a.t (fit, eat, active, training) programme for addressing adult obesity in suburban malaysia: study protocol for a quasi-experimental trial
A	PP-A78.	184	SETYO UTAMI WISNUSANTI	UNIVERSITAS GADJAH MADA	Correlation of body mass index and total leukocyte count in adolescents
A	PP-A79.	166	WU SUET KEI	UKM	Is fast food consumption associated with nutritional status of primary school children in Kuala Lumpur?

**Group B: Dietary Intake, Consumption Pattern & Disease**

Group	Poster Board No.	Abstract Reference No.	Name	Organisation/University	Title
B	PP-B01.	121	Arif Sabta Aji	Medical Faculty, University Of Andalas	The relationship between lifestyle of pregnant mothers and place of residence on maternal vitamin d intake status
B	PP-B02.	188	DUDUNG ANGKASA	DEPARTMENT OF NUTRITIONAL SCIENCE, UNIVERSITAS ESA UNGGUL	High intake of phytoestrogen food sources™s and a routine exercise were associated with lower risk of primary dysmenorrhea among adolescent girls
B	PP-B03.	254	Dudung Angkasa	Universitas Esa Unggul, Faculty Of Health Sciences, Department Of Nutritional Science	Relative validity of a semi quantitative food frequency questionnaire for estimating dietary Ω-3 fatty acids intakes among urban pregnant women in indonesia
B	PP-B04.	80	Aviani Harfika	Bogor Agricultural University, Department Of Community Nutrition	Intake of animal foods and their contributions in nutrient adequacy levels of Indonesian children 2-6 years
B	PP-B05.	259	RHEA BENAVIDES-DE LEON	UNIVERSITY OF THE PHILIPPINES-DILIMAN	Development of dietary attitudes and habits scale for adolescents
B	PP-B06.	216	BONG MEE WAN	UNIVERSITI KEBANGSAAN MALAYSIA	Infant and young child feeding practices of penan children in rural sarawak
B	PP-B07.	38	Dhivyalosini A/P Maykanathan	UCSI University	Factors of dietary intake and physical activity level associated with gestational weight gain among urban and rural pregnant women in Selangor.
B	PP-B08.	73	DAH M. UTARI	FACULTY OF PUBLIC HEALTH, UNIVERSITAS INDONESIA	Fat intake and sedentary activity as dominant factors of diabetes among teachers in urban area
B	PP-B09.	34	DODIK BRIAWAN	BOGOR AGRICULTURAL UNIVERSITY	Changing of snack food behavior among school children participant of nutrition education program
B	PP-B10.	50.1	Eng Jui Yee	University Of Malaya, Department Of Social And Preventive Medicine	Characteristics of major dietary patterns and their associations with socio-demographic and lifestyle factors.
B	PP-B11.	91	FATHIMAH MOHAMAD	FACULTY OF MEDICINE, UNIVERSITI TEKNOLOGI MARA, SELANGOR, MALAYSIA	Evaluation of dietary habits in primary school children
